* *What an awesome year the 2016-2017 school year has been! We have seen the students grow in so many ways and seen the progress each one has made first hand. What an amazing sight this is to see on a daily basis. We couldn't have done it without the support of our parents, grandparents, staff and community members. We look forward to the 2017-2018 school year and hope it brings just as much enjoyment as this year has! Thanks to you all and have a safe and enjoyable summer!*
